IRVINE – A chiropractor was arrested Tuesday on suspicion of sexually assaulting a patient during a treatment session at his Irvine office, authorities said.

The 28-year-old victim – identified only as an Orange County resident – first went to the 68-year-old chiropractor to be treated for neck pain. During a visit in July, however, police allege Dennis Scott Durbin inappropriately touched and assaulted the woman.

According to a statement released by the Irvine Police Department, Durbin suggested adding a massage to the victim's treatment.

Durbin was booked into Men's Central Jail on suspicion of sexual battery and penetration with a foreign object. He was being held in lieu of \$100,000 bail.

Durbin worked at Sky Park Chiropractic near Main Street and Red Hill Avenue, where he shared office space with another unrelated company on alternate days.

Police suspect there may be other victims, and are asking anyone with information to contact Det. Victoria Hurtado at [vhurtado@cityofirvine.org](mailto:vhurtado@cityofirvine.org) or 949-724-7194.
