STANDISH, Mich. (AP) — A former paramedic in mid-Michigan has been sentenced to between 40 months and 15 years in prison for sexually assaulting a 15-year-old while she was being taken to a hospital.

David Spresny was sentenced Wednesday. He was found guilty in January of third-degree criminal sexual conduct.

The 43-year-old Standish man was charged in July with assaulting the girl after she was injured in a traffic accident. She said she was molested while strapped to a backboard in the ambulance.

Defense attorney Garner Dewey says his client plans to appeal.
